## 练习 2 计划或打算 Making plans

本练习分三步来做:

1. 分成若干小组, 按照下面地图和图表所提供的情况, 各组讨论制定一个为期两星期的旅行计划。
2. 每两组各出一人, 再组成若干两人小组, 互相交换各自小组的旅行计划。
3. 从原来的小组中推选出一名代表, 向全班报告对方小组的旅行计划。

This exercise is done in three different steps:

1. Divide into several small groups. Looking at the map and chart below make up a two-week travel itinerary.
2. Join with another small group, divide into pairs (one from each group) and exchange travel plans.
3. Have one representative from your original group report the travel plans of the group you interviewed in pairs to the whole class.
